

**Want to be part of something big? Want to be in the know? Want to better the world?  
Want to see and be seen?**

We are looking for fun, out-going, individuals to help with some grass roots guerrilla marketing for a new company. The Wave is Houston's 1<sup>st</sup> officially permitted "jitney" service in 15 years. What is a "jitney" you might ask? And there in lies the challenge, which is what everyone asks.

[http://en.wikipedia.org/wiki/Share\\_taxi](http://en.wikipedia.org/wiki/Share_taxi)- a shared shuttle service operating on a fixed route for a fixed rate

You will get treated like royalty as part of The Wave's Street Team. We will provide you with the education, the shirt and all the materials you will need, plus lots of other benefits are involved. We are just asking for people with an interest in business, entrepreneurship, transportation, marketing, PR, advertising, graphic design, community organizing, public safety, transit, urban development, econ or with an interest in helping this awesome & culturally rich area of Houston remain as such.

**Positions Available:**

- **Marketing/Promotions Intern**
  - Work with Washington Wave President and Wave Runners to do the following:
    - Carry out special and media event planning activities and arrangements
    - Assist with basic public relations and marketing efforts
    - Assist with the development and updating of media lists and other databases
    - Assist with administrative duties including fax processing, sorting, collating, stuffing envelopes, mailings and other administrative functions as assigned
    - Assist with the management of newspaper and periodical inventories for easy access
